A COLLABORATIVE WAS BORN

To keep students in school and ready to learn:

2004 stakeholders in Colorado began meeting-school administrators, Colorado Department of Education (CDE), school nurse leaders, Colorado Department of Public Health and Environment (CDPHE), providers and most importantly, families.

2006-National Association of School Nurses partnered with CDE and CDPHE to create the Diabetes Resource Nurse Model (DRN) and www.coloradokidswithdiabetes.org

2013 First Standards of Practice published on website.

2014 DRN Safety Huddles initiated.
